

# Discover the Magic

## 10<sup>th</sup> Annual North Dakota Solid Waste and Recycling Symposium Sept. 13-15, 2005, Holiday Inn, Minot

### Tuesday, September 13<sup>th</sup>

- 12 p.m. **Exhibitor Set-Up Begins**, First come – first reserved (all booths must be set up by 9 p.m.)
- 1:00 p.m. **8<sup>th</sup> Annual Golf Tournament** – Souris Valley Golf Course  
Join beginners and “pros” alike in an 18-hole, “best ball” tournament, followed by supper at the course. Transportation will depart the hotel at 12:30 p.m. and provide return trips to either the hotel or winery following the tournament.
- 1:00 p.m. **Minot Air Force Base (AFB) Tour**  
Learn how the AFB handles waste, recycling and pollution prevention for over 6,000 employees. See their Green Power Partnership, a commitment to using green power, has helped support 12% of the base’s annual electricity load!
- 5-7 p.m. **Attendee Registration**
- 7:30 p.m. **Social Hour at Pointe of View Winery**  
Join us for a tour and fellowship at North Dakota’s first winery. Transportation will be provided from the hotel and golf course to/from the winery.

### Wednesday, September 14<sup>th</sup>

- 7:00 a.m. **Attendee Registration, Exhibit Hall Opens, Exhibitor-Sponsored Hot Breakfast**
- 7:45 a.m. **Welcome and Exhibitor Introductions**, Galen Bren, NDSWRA, President;  
Alderman Ron Boen, City of Minot
- 8:30 a.m. **U.S. Guard Member’s Experience in Iraq**, Kevin Solie, North Dakota Department of Health
- 9:00 a.m. **The Attitude Advantage**, Terry Eckmann, Minot State University
- 10:00 a.m. **Vendor Break** – Enjoy snacks and networking; silent auction tables open; door prizes
- 10:30 a.m. **Breakout Sessions**

<b>Solid Waste Track</b>	Concrete Operations <b>Small Scale Composting</b> , Vicky Triplett and Doug Schroeder, City of Carrington; Renae Beeter, Waste Mgmt. <b>Erosion Control and Landscape Applications</b> , Tom Huncovsky, ND Department of Transportation
<b>Recycling Track</b>	<b>Launching a New Item in Your Recycling Program</b> Should we be collecting plastics? What about magazines? In this one and half-hour packed session, you’ll learn about what it takes to introduce a new item into your existing recycling program. How do you prepare material for market? What space and style of collection methods are necessary? What happens to items once they are recycled? <b>Recycling Market Basics</b> , Mark Heieren, Recovered Materials Management <b>Plant Operations: What it Takes</b> , Terry Horst, MinnKota Recycling <b>End Results with Recycled Content Product</b>
<b>Featured Track</b>	<b>BSE (Mad Cow Disease): The Disease and Carcass Disposal Concerns</b> , Dr. Greg Lardy, ND State University – Dept. of Animal Science <b>Composting Carcasses and Butcher Waste (Offal)</b> , Ron Wiederholt, ND State University – Carrington Research Center <b>Recycling Animal Byproducts, The Next Century</b> , Chuck Neece, Farmers Union Marketing and Processing Association

**Wednesday, September 14<sup>th</sup>** (continued)

12:00 p.m. **Luncheon and Annual Business Meeting**  
 1:00 p.m. **Breakout Sessions**

<p><b>Solid Waste Track</b></p>	<p><b>Landfill Monitoring in the Dakotas - A Revised Parameter List</b>,                  Tim Kenyon, Leggette, Brashears &amp; Graham, Inc.                  Learn about a set of parameters that are indicative of the redox state of the ground water and the rationale for their use as ground-water monitoring parameters at landfills.                  Lining Technologies, Pat Grogan, CETCO  <b>Running an Effective Equipment Maintenance Program</b></p>
<p><b>Recycling Track</b></p>	<p><b>Making Household Hazardous Waste Collection Affordable</b>                  Wonder how you can get your city council or community to “buy-in” to the collection of household chemicals? Get ideas for free or low-cost methods that will have them on your side with “real-life” examples!  <b>Project Safe Send</b>, Judy Carlson, ND Department of Agriculture  <b>Disposal Options</b>, Lance Loken, Western Plains Consulting  <b>A Girl Scout Project Takes Hold</b>, Lorne Hammer, City of Beulah  <b>Preventative Maintenance for Balers</b></p>
<p><b>Featured Track</b></p>	<p><b>National Steel Perspective</b>, Dave Keeling, Steel Recycling Institute  <b>Appliance Management</b>, Kevin Solie, ND Department of Health – Div. of Waste Mgmt.  <b>Used Oil/Antifreeze and Automotive Mercury Removal</b>, Christine Roob, North Dakota Department of Health - Division of Waste Management                  Interested in setting up a collection point for used motor oil? Learn what it takes and why these items should be collected, stored and disposed of properly.</p>

2:30 p.m. **Vendor Break** – Ice Cream Social; door prizes

3:00 p.m. **Tours** – Transportation provided.

<p><b>Wind Farm</b> – Experience North Dakota’s wind at its finest!                  and  <b>Railroad Museum</b> - The museum displays more than 100 years of rail history, focusing on regional railroading from 1886 to the present time.</p>	<p><b>Minot Vocational Adjustment Workshop Recycling Center</b>                  and  <b>Minot Landfill</b></p>
---	---

5:30 p.m. **Visit with Vendors and Silent Auction, Social Hour, Cash Bar**

6:00 p.m. **Dinner and Awards** (Leadership, Scholarship and Vendor Award)

7:30 p.m. **Entertainment**, Mylo Hatzenbuhler

A humble farmboy, who has become known as the "Strasburg Superstar" to his followers, successfully juggles farming and his rock star career. He has appeared in 17 states, does concerts throughout the year (except during calving season) and is now known everywhere as North Dakota's biggest rock and roll artist.

**Thursday, September 15<sup>th</sup>**

7:30 a.m. **Exhibitor-Sponsored Hot Breakfast Buffet**

8:00 a.m. **“Poachers Caught,”** Tom Chapin, Author and Retired Conservation Officer  
 True stories of a northwoods game warden.

9:15 a.m. **Pollution Prevention and Market Development**, Al Christianson, Great River Energy  
 See how North Dakota’s largest power plant avoids landfilling 74% of its fly ash. An excellent example of reuse, Great River Energy was recognized by the Greater North Dakota Chamber of Commerce in 2004 with a Vision Award for its efforts to market fly ash.

10:00 a.m. **Vendor Break** – door prizes

10:30 a.m. **The Anhydrous Spill: What it Took**, Bob Wetzler, Retired Rural Minot Fire Chief and Russ Gohl, Earth Movers

12 p.m. **Exhibitor-Sponsored Luncheon and Keynote**

Dr. Bob Edwards (Introduction of Joe Murphy, ND Division of Community Services)

1:00 p.m. **Closing and Cash Drawings** – Must be present to win!

NDSWRA Board of Directors Meeting immediately following the symposium.

Draft: 7/28/05
