

The North Dakota Solid Waste and Recycling Association announces a...

## Recycling and Disposal Workshop – March 3, 2009 in Carrington.

Join us to learn more about disposal and recycling opportunities in the Carrington area. Not sure what can be recycled at home? Do you deal with disposal issues at your place of business? Gain knowledge and meet others that are interested in recycling, composting and more. Representatives from the public and private sector, non-profit organizations, individual citizens, local city council or county members, consultants and more are encouraged to attend this workshop.

### Highlights

- Local Highlights of Recycling Programs
- Electronics Recycling Opportunities
- Compost, Wood Chips and more
- Free Programs (cell phones, cartridges, exchanges, etc.)

### Location

The workshop will be held **Tuesday, March 3<sup>rd</sup>** at the Chieftain Hotel (60 4 Ave. S.; Hwy. 52), Teepee Room, 6:30 p.m. – 8:30 p.m.

### Registration

This workshop is free and open to the public.

### Our Organization

The NDSWRA is a non-profit organization committed to educating, training and promoting environmentally sound waste management practices. Our members include municipalities, landfills, haulers, recyclers, individuals, educators, consultants, suppliers and more. **North Dakota certified landfill operators will receive two credits** for attending.
