Our Goals

- ✓ To promote environmentally sound waste management practices.
- ✓ To provide an information network for recyclers and waste managers.
- ✓ To provide training/seminars for members and non-members.
- ✓ To provide technical information and assistance to all levels of policy makers.
- ✓ To support practical and basic research in the area of solid waste management.

Benefits of Joining

- ✓ Opportunities to learn from others in your field or profession.
- ✓ A discount on the registration fee for the Annual Solid Waste and Recycling Conference held each September.
- ✓ Ready access to information on haulers, landfills, recyclers and more.
- ✓ Invitations to workshops, seminars and training about solid waste and recycling in our region.
- ✓ An organizational newsletter with solid waste and recycling topics and information.
- ✓ The opportunity to have a network of folks, just like you, whom you can call on for useful information.
- ✓ A way to market yourself, your firm or enterprise to others in your profession.
- ✓ A connection to other similar organizations in the region.

A Message from Our Board of Directors...

We take this opportunity to personally thank you for joining the NDSWRA, and to encourage you to invite someone else, who is not yet a member of NDSWRA to join. Membership is a great way to network with individuals in the areas of solid waste collecting, handling, disposal, and recycling, as well as to learn about what is happening in general with solid waste and recycling issues in our state.
